擲骰子說故事  
 激發無窮想像力

Rory's  
**Story  
 Cubes**

故事骰

Roll the cubes. Make a story

## 故事骰怎麼玩？

和家人或朋友一起玩時，每個人輪流說故事，輪到的人投擲9顆骰子，以「很久很久以前……」來開始故事，並在故事將9顆骰子上的圖案編織在一起。可以從最吸引你目光的那個圖案來開始故事。用3顆骰子作為故事的起始、3顆作為中段、最後3顆營造故事的結局。遊戲的目標是希望藉著不同的圖案激發玩家的想像力，因此故事沒有對或錯，你也做得到！

**英雄：**先擲三顆骰子來創造一個角色，然後，擲九顆骰子來為你的英雄量身定做一個傳奇故事。如果你的英雄深陷古埃及的金字塔中，他會如何應變？或者他那溫吞的好夥伴也在一旁？！

**史詩：**起始玩家擲九顆骰子，並為故事起個頭，其他玩家輪流為故事新增一個章節。最後一名玩家必須將鬆散

的情節收攏，並為故事創造史詩般的磅礴結局。加入不同的故事骰擴充，為你的故事開展不同的向度。

**卡住了？**找一本你最喜愛的書、一齣你最鍾情的電影、或者影集，試著使用其中的角色與場景，創造出屬於你的創意故事。

**獨創玩法：**世界各地的玩家已為『故事骰』Rory's Story Cubes® 創造出許多獨特的新玩法，歡迎你在 Facebook 和 Twitter 與大家分享你的獨創玩法喔！

## How to play

When playing with family and friends take turns as the storyteller. The storyteller rolls all 9 cubes. Begin with 'Once Upon a Time' and tell a story that links together all 9 face-up images. Start with the first image to grab your attention. Use three cubes for the beginning, three for the middle and three for the end of the story. There is one rule: there are no wrong answers.

**My Hero:** Roll three cubes and use them to create a character. Now roll all nine cubes and tell a story featuring your hero. What will happen when your hero finds herself at the pyramids in Ancient Egypt, or with a turtle for a sidekick?

**Epic Stories:** The first player rolls all nine cubes and weaves the opening chapter. Taking turns, each consecutive player adds a chapter to the story. The last player must tie up all the loose ends and bring the story to its epic conclusion. Add different sets of Rory's Story Cubes® to give your stories a whole new dimension.

**Stuck for ideas?** Pick your favourite movie, book or TV show. What new and imaginative stories can you spin using these characters and settings?

**Use your imagination.** Around the world, people are inventing their own ways to play with Rory's Story Cubes®. What fun ways to play will you discover?
